The Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. Shakespeare sonnet – any variation will do There are only a few other lines in the original Shakespeare's sonnet; the poem starts from line one and concludes with line four. Dreamweaver is based on the assumption that you want to use the Lorem Ipsum. This is an example of a classically formatted block of text. Here is an example using the traditional Lorem Ipsum. Lorem and More for Dreamweaver detects the content type of the page and applies the ideal format styles to the content. Dreamweaver provides four types of formats: 1. paragraph 2. list 3. insert 4. continuous. At the bottom of the Dreamweaver's interface, you'll find the different options for changing the format to the content type.
